## Children's Services Starting in November!

Our Shemini Atzeret/Shabbat Service was a great opportunity for us to meet some of our younger members. After services, we ate an Israeli dinner in the Sukkah and celebrated Dr. Benaroch's birthday as well.

As we now have a significant number of young children who join us for services, as of next month we will offer a Children's Service parallel to the regular service. This service is geared towards kids 10 and younger, only if they want to attend a different service. For those who are able to follow the adult service, we certainly hope they will stay with

the teenagers and adults.

The Children's Service will be led by Yael Lilienthal, who will teach the children some of the songs/prayers that we sing on Shabbat, tell them a story from the Torah, and play Jewish games with them. The goal is to provide the children with a service in which they can connect to G-d in a meaningful way, one in which they can understand and relate to.

If you have any questions about Children Services, please feel free to contact Sandra at [Sandra@familychavurah.com](mailto:Sandra@familychavurah.com)

## Thank You!

## KEEP YOUR EYES WIDE OPEN FOR THE FOLLOWING:

### Save the Date—November 22nd!

On November 22nd, The Family Chavurah will be joining other synagogues in Broward County in the Fifth Annual Community-Wide Tikkun Olam Day.

From 12:30pm to 5:00pm, we will support Women in Distress by helping out with painting, landscaping, sorting donated items, arranging the food pantry and other projects.

Pre-registration is necessary. Due to security issues, no one can be admitted without pre-registering. Both kids (ages 10 and up) and adults can sign up at [www.jewishbroward.org](http://www.jewishbroward.org)

If you haven't done so, please register as soon as possible so you won't forget! If you have any questions, please feel free to contact Mrs. Nina Benaroch at [craftybunny@bellsouth.net](mailto:craftybunny@bellsouth.net)

Our Torah Teen group will be involved in this project, and we hope we will have plenty of adults to serve as role models for this new generation. Everyone is welcome, so please invite your friends to join us. Remember, though, they will also need to register online!

### A Portion of the Portion

In the beginning ... These words are so appropriate. On the week when the Torah began to be read anew, we held the first class of "A Portion of the Portion". Around a big table where there was ample room for books, emotions and insights, seven of us spent over one hour trying to find the ultimate message of the Torah. Needless to say— we did not succeed!

Yet we committed ourselves to continue the search and conversation next week.

Will you join us?

### Is Hebrew Chinese to You???

For those of us who did not learn how to read Hebrew at a young age, it is very overwhelming to follow the prayers in the Siddur. Although The Family Chavurah's Siddur is completely transliterated to help those who cannot read Hebrew, this is **YOUR CHANCE** to learn the Hebrew letters, and how to put them together to make words. Every Wednesday, at 7:30pm, Mike Mkam will be teaching the basics of the Hebrew Language. Invite your friends, and join us!

There is no charge for the class.
